

**FROM THE DIRECTOR'S DESK**

**Jessica Hazelton, Executive Director**

I am so excited to have cooler temperatures finally approaching us. Welcome to the season of pumpkin pie, spiced lattes, and of course hot apple cider! We had a busy and productive September as we received our Flu Shots, and COVID boosters. Please make sure to follow us on Facebook so you can see the fun events we have during the week.

**PERSONAL CARE DEPARTMENT**

**Arsi Carter, Personal Care Director**

- In 2022, an estimated 287,500 new cases of invasive breast cancer will be diagnosed in women in the U.S. as well as 51,400 new cases of non-invasive (in situ) breast cancer.
- 65% of breast cancer cases are diagnosed at a localized stage (there is no sign that the cancer has spread outside of the breast), for which the 5-year relative survival rate is 99%.
- This year, an estimated 43,550 women will die from breast cancer in the U.S.
- Although rare, men get breast cancer too. In 2022, an estimated 2,710 men will be diagnosed with breast cancer in the U.S. and approximately 530 men will die from breast cancer.
- 1 in 8 women in the United States will be diagnosed with breast cancer in her lifetime
- Breast cancer is the most common cancer in American women, except for skin cancers. It is estimated that in 2022, approximately 30% of all new women cancer diagnoses will be breast cancer.
- There are over 3.8 million breast cancer survivors in the United States.
- On average, every 2 minutes a woman is diagnosed with breast cancer in the United States.

**ACTIVITY DEPARTMENT**

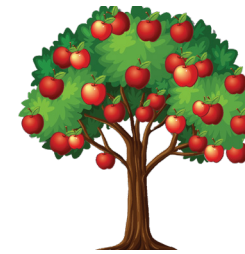

**Cindy Bostick, Activity Director**

October is here and we are looking forward to the temperatures changing and the fall colors appearing. Residents are decorating their doors and shelves and are helping with the bulletin board decorations. We have the beautiful courtyard and gazebo for residents, families and friends to enjoy a Fabulous Fall!
